

SNL/NM Manual Dialing Guide For Picture Tel

A dialing string consists of three basic parts.

Configuration code (**#XXX**), Access Code (**YYYY**), and Area Code followed by Phone Number (**AAANNNNNNN**).

Combine the parts to make the dialing strings.

#XXXYYYAAANNNNNNN

.*Note: Calls to Sandia/California can be dialed with only seven digits.**

(No area code) (No access code) (Configuration code is still needed)* See dialing examples below.**
